Description	A scenic coach journey via Brünig Pass and along the shores of Lake Brienz takes you to the Bernese Oberland. After a break in Interlaken, uniquely situated between two lakes, we board the cogwheel train in Grindelwald for a spectacular ride via Kleine Scheidegg to Jungfrauoch. Stunning views of the world-famous triple peaks of Eiger, Mönch and Jungfrau accompany you all the way to the top. Once on the top, immerse yourself in the fascinating high-Alpine wonderland of ice, snow and rock. Experience the adventure tour "Alpine Sensation" marking the 100-year anniversary of the Jungfrau Railway and visit the Sphinx Observation Terrace and Plateau with the most breathtaking panoramic views of snow-capped peaks, neighboring countries and Europe's longest glacier, the Aletsch Glacier. Don't forget to stroll through the tunnels of the Ice Palace located in the heart of the glacier – a once in a lifetime experience you don't want to miss! Restaurants are available for meals and refreshments (optional). The descent passes car-free holiday destination Wengen and takes you to Lauterbrunnen, where the coach awaits you for the return trip to Lucerne.
