Description	Depart from Geneva to Lac des Brenets. Departing from the port, you embark on a quiet cruise on the lake formed by the Doubs. The indolent river forms wide meanders and creeps peacefully into a magnificent landscape of steep cliffs and fir trees. A dazzling spectacle! Lunch will be served. On arrival, the Doubs shows its second face, much more tumultuous, continuing its race with a crash in an impressive 27 m waterfall, the Saut du Doubs. A footbridge will take you to the French side to enjoy a different point of view on the magnificent waterfall and its bubbling water.
