Discover the Alpine world for yourself at the foot of the majestic Jungfrau - peaking at 3454 meters above sea level. Board the rack railway from Lauterbrunnen via Kleine Scheidegg to Jungfrau, the highest railway station in Europe.

Information	Description
Tour name	INTERLAKEN: Panoramic bus tour to Jungfrau
Code produit	KTI364
Time	10:30
Description	An unforgettable self guided journey through the Alps at the foot of the majestic Jungfrau - culminating at 3454 meters. After a quick stop at Interlaken, board the Jungfrau rack train from Lauterbrunnen. Arriving at the top you are in the highest railway station in Europe (3454m). Enjoy spectacular views from the highest glacier in Europe. The Sphinx observatory offers one of the best views of the peaks and famous peaks of Eiger and Mönch. Wander into the heart of the glacier as you walk through the ice tunnel and experience the “Alpine Sensation” that traces the history of the Jungfrau. Once you get back from the heights, get on the bus that will take you back to Zurich through beautiful scenery.
