Time	The restaurant is open from 9:00 to 19:00 Fridays and Saturdays in July and August, open until 21:30. Extension reservation until 23:00, from 12 people.
Description	At the foot of the Moléson, surrounded by fragrant pastures of Gruyère, stands the gray mass of shingle roof, (tavillon) of an old cottage of the seventeenth century, transformed into an Alpine Cheese Factory. With its typical restaurant and studies of craft specialties, Fromagerie Alpage can get used during the summer season, in the manufacture of various alpine cheeses.
