Description	Gruyères is the favourite place for tourist to see the swiss countryside. Get the chance to discover different landscape on board of a comfortable bus. The trip will takes you to Gruyères, the chocolate factory and the lavaux region. Start your day with a tour in the chocolate world of Cailler, understand the history of chocolate, how they make it and enjoy tasting as much as you like. For your lunch, spend some free time wondering and admire the breathtaking landscapes of the Gruyères village. At the foot of the pre-Alps, you will be enchanted by the charm and picturesque architecture of the medieval town. Breathe pure mountain air and hear cowbells in the pasturelands which surrounded the small suburb. Explore the little town, that has been unaffected by the passage of time, it also has been elected most beautiful village in 2014.
