

Live an immersive experience in the heart of the Valais Alps Spectacular and unprecedented, the underground lake of St-Léonard is none other than the largest underground lake in Europe.

Information	Description
Tour name	Lac souterrain St Leonard & Sion château tourbillon
Code produit	VOJ054
Opening	October 28
Time	8h00
Description	<p>Depart from Geneva to arrive in Sion. Live an immersive experience in the heart of the Valais Alps Spectacular and unprecedented, the underground lake of St-Léonard is none other than the largest underground lake in Europe. As the cave is completely submerged, all visits are made on board rowing boats. A privileged witness to the formation of the Alps, this navigable underground lake nestles in the hillside between 30 and 70 meters deep under the vineyard.</p> <p>In the afternoon, explore Zion. Between vineyards and alpine peaks, it is the embodiment of Valais savoir-vivre. Under the protective gaze of its two fortresses. Sion has an irresistibly charming old town.</p>
